FAT CARDINAL PROVISIONS

IT STARTED WITH A CARDINAL TATTOO
John had one. Thomas too. Jim knew this was more than just a coincidence. Strangers with the same uniquely red bird as their totem--it was a sign of things to come.

It turned out, Thomas, John and Jim also shared a dream: to open a bakery that brought the best baked goods to their friends, family and neighbors in Rockaway Beach. The food would be familiar, yet unexpected. They started testing recipes. First came the Mexican Hot Chocolate cookie. Then the Malted Chocolate Chip. And then, their first sales.

In the spring of 2016, they opened a counter at Uncle Louie G's in Rockaway Beach. Customers responded, and more treats joined the menu. Brownies, pies, and our biggest seller, The S'mores Pie.

Soon the cardinal needed a bigger nest. And in 2018, Jim, John and Thomas opened their own storefront: Fat Cardinal Provisions in Rockaway Beach. Products and goods are proudly made and sourced from New York City businesses. As always, all baked goods are Fat Cardinal originals.
